

Many major highways lead to Fort Wayne. Once you arrive in Allen County, Indiana, your best bet will be to get on either I-69 or I-469 and find the interchange that most quickly lead you to State Road 930/Coliseum Blvd.

FROM I-69: Traveling either northbound or southbound, go to Exit 309 (formerly exit 109) and choose the exit heading eastbound into Fort Wayne.

FROM I-469: Choose either the US 24 West or US 30 West interchange at the east edge of New Haven and go westbound through New Haven, following the road signs for State Road 930/Coliseum Blvd.

Once on Coliseum Boulevard, proceed to the area just West of the intersection of Coliseum Blvd. and Crescent Avenue. Our driveway is located actually at the intersection of Trier Road and Coliseum Boulevard, located in detail at the bottom of this map.
